

Dear Friend of ISC Gunners,

The Gunners are excited to announce our third annual WPSL Golf Tournament. We are soliciting donations to feature in the event and welcome your contribution of goods, services or experiences that will promote the club's fundraising success. Our tournament will be held Friday, August 21st, 2020 at Mt. Si Golf course and we expect over 100 players to attend an exciting event of fundraising and fun.

Our annual golf tournament is the primary fundraising event for our WPSL Program. The ISC Gunners were founded in 1980 and is one of the largest youth soccer clubs in the Pacific Northwest. The club is dedicated to teaching our youth the remarkable game of soccer while promoting sportsmanship, discipline and teamwork. Today, ISC is home to over 300 youth soccer teams and helps more than 3000 children each year to learn, compete and grow as athletes and valued members of our community. The money raised from the golf tournament will help fund our WPSL program. **The WPSL program is self-funded within ISC Gunners, and relies strictly on sponsorship and donations to continue each and every year.**

We are actively procuring goods and services to include in our event. Your donation will not only help us meet our fundraising goals, but will provide you with valuable exposure to the club and the friends and families of over 3000 young athletes who live and play in your community. You can find more details about the club and the event at www.iscgunners.org.

All donations are tax deductible. **ISC Tax ID:** 91-1172224.

Please contact your ISC Gunners contact or one of the procurement chairs listed below to arrange your donation.

If you've already registered as a hole sponsor, please complete this form for your own tax deduction needs.

Erin Vaughan & Macy Jo Harrison – wpsl@iscgunners.org

The coaches, staff, and players of ISC value your generous contribution and thank you for your support.

Do not hesitate to contact us if you have any questions.

Sincerely,

The 2020 WPSL Golf Tournament Committee
