

Financial Aid

Hi there and thank you for your interest in LFC IA Washington! We appreciate you choosing us and we want to help make sure your player gets to participate.

In order to be considered for Financial Aid, please begin the registration process. There is a financial aid question in the process. Please answer yes and the club will be notified. This is an important step. Playmetrics will allow you to finish registration without having to pay anything, at least until the decision has been rendered.

Once the decision has been made, the registrant will be notified, and your acceptance of the offer will be needed before registration can be completed. This will come in email form from Playmetrics, so if you have applied, please look out for the email.

You will need to supply your school “free lunch” document in order to qualify. There is a place to upload the picture or PDF on the Playmetrics application.

Thank you!
